

Far North Economic Development Manager

\$90,000 salary package including fully maintained vehicle

Regional Development Australia Far North, formerly NRDB is looking for an individual to drive the economic development of the Far North of South Australia. The role aims to drive maximum benefits from the mining boom in terms of new jobs and new business in Far North South Australia.

We are looking for an enthusiastic hands-on Economic Development Manager with a good commercial understanding and an empathy for assisting business in the outback. The role also supports the broader community development for Coober Pedy in particular, while reaching out across outback SA.

The job is located in the iconic outback community of Coober Pedy. This is a unique opportunity for an individual keen to play an important role in ensuring the region extracts maximum benefits from the mining boom in South Australia.
